IMPORTANT LEGAL STUFF

ALL POTENTIAL INVENTORS AFFILIATED WITH THE UNIVERSITY OF NEBRASKA DURING THE CONCEPTION AND DEVELOPMENT OF THIS INVENTION MUST SIGN BELOW. BY SIGNING THIS NEW INVENTION NOTIFICATION FORM YOU HEREBY ASSIGN YOUR RIGHTS IN THIS INVENTION TO THE BOARD OF REGENTS OF THE UNIVERSITY OF NEBRASKA.

To the best of my knowledge all statements and information provided in this New Invention Notification (NIN) form are true and complete. I understand and agree that all rights, obligations, and financial interests pertaining to or derived from the invention are as determined under the University of Nebraska Board of Regents Bylaws and Policies, including, but not limited to Bylaw 3.10, Policy 4.4.1, Policy 4.4.2, and all applicable campus policies. I also understand and acknowledge that the University has the right to change the Policy from time to time, including the percentage of net royalties paid to me. Further, I acknowledge that the percentage of net royalties paid to inventors is derived only from consideration in the form of money or equity received under a license, option, or material transfer agreement for licensed rights. Per Policy 3.2.8, any conflict of interest will be handled according to specific campus policies which may require disclosure of a personal interest in the form of potential revenue through commercialization of an invention described in a publication or presentation. I agree to assist the University of Nebraska and UNeMed in the evaluation, possible protection and commercialization of the invention as described in this NIN.

UNeMed, in its sole right and discretion, may change or alter any terms and conditions of this contest at any time, without notice, to the contest entrants.
